

Hello Fifth Graders,

I hope you are all staying healthy and practicing social distancing. I can't wait to see you all when school reopens!! Until then, we will be doing remote learning.

I will be emailing you assignments every Monday morning that will be due every Friday. Some will be worksheets and writing assignments that you can do on a google doc and email to me. Some assignments will be from sites such as IXL, Odyssey, read works, xtramath and happynumbers. On certain days, I will be sending you invites to a google meet so we can check up on eachother and go over some of the skills from the week.

As fifth graders, you should be working on these assignments for 120 minutes each day.

I am available to help you every single week day from 9:00 - 3:00. You can email me any questions or concerns and I will get back to you within 1 hour.

I will add all assignments to this doc so that if you get behind, you can always go back to catch up on work.

- Mrs. Ruiz

Website Information

Read Works: Class Code : KKY6QX
Password : 1234

HappyNumbers.com Class Code: 381343
Password : 206
